

What they say about us

"This honor is a clear reflection of ArcelorMittal's solid contribution to provide GM customers with the best vehicles and services in the industry."

Steve Kiefer, General Motors vice president, global purchasing and supply chain, at the annual Supplier of the Year award ceremony in Detroit.

"Through discussions of numerous options with our client and general contractor, ArcelorMittal's products were determined to offer the most cost-effective approach for the structural system of 150 N Riverside. The larger sections and high-strength material provided the only "off-the-shelf" sections that could resist the large forces."

Robert A. Chmielowski, Magnusson Klemencic Associates

"My parents work in the plant and I know that ArcelorMittal Galati is a respectful company."

Student at the engineering faculty of Galati (Romania)

"The Acanthus Aureus medal was awarded to ArcelorMittal Construction Poland for participating in the fair with the stand showing the best marketing strategy"

Poznan International fair

"The guarantee [up to 35 years of Granite® HDX] was highly attractive to both IAA Architekten and the customer, and could not be matched by the proposed aluminium solution."

Jack Muller BV

"We create value for our customers by combining our researchers' innovative ideas and the excellence of our sales force."

Julie Malherbe - Production Engineer, ArcelorMittal Belval (Luxembourg)

"SteelUser is the most advanced system offered to our Company by the steel suppliers".

Finco-Stal Serwis Sp. Z o. o.

"ArcelorMittal is a provider with a high level of service with whom we have been working for years. There are no quality problems and no schedule delays. In addition, it is an agile provider when it comes to making offers."
