

What they say about us

"Canam Group is grateful to ArcelorMittal International in the completion of the Mercedes-Benz Stadium, an iconic and innovative structure."

Canam Group

KÖNIG **FRANKSTAHL**

"Partnership between Konigfrankstahl and ArcelorMittal Iasi starts from high level of trust and continues to be stronger and stronger each day based on regular collaborations and facts, common projects which consolidate relation."

Rob Walker – Konigfrankstahl

"We have been cooperating with ArcelorMittal for over 10 years. Apart from producing material that meets all the necessary requirements, ArcelorMittal provides full logistics, technical support and suggestions for optimisation to increase the possibilities of our cooperation."

Jakub Kowalski – Manager of Purchase and Logistics Department TORPOL S.A.

"Our R&D department had a copy of the Steel Envelope design guide from ArcelorMittal, and there we found a sample of Granite® Silky Mat. I suggested it to the customer and they were immediately excited. Granite® Silky Mat fulfilled both their quality and aesthetic expectations."

Koen Gosens – Account manager at De Meeuw

"ArcelorMittal has proven its reputation to us as a worldwide trustworthy supplier of high quality rails. Together we have completed many successful rail projects in the Netherlands and we look forward to continue our business for future projects."

**Victor van Os – Procurement Manager
ETS SPOOR BV**

"I am proud to work at ArcelorMittal because it is a truly global company with fantastic multi-cultural colleagues, making tangible products that contribute to the sustainable development of the society. Steel is the fabric of life".

**Airy Weinzoepliten – Business controller
ArcelorMittal Europe – Long Products**

"We are replacing high strength or advanced high strength steels with Fortiform® as it offers even higher mechanical properties with the same level of formability. We will use these characteristics of Fortiform® to reduce the thickness of the part and thus gain mass."

Louis David – Master expert in materials & processes for vehicles PSA Peugeot Citroën

"We have a long standing relation with ArcelorMittal Construction Spain, based on close cooperation and trust and we have been collaborating for many years on various projects. They are a reference to us when launching a project, when considering products."
